

Class: #571—Dresden Flower Garden

Teacher: Candy Grisham

Skill Level: Advanced Beginner

Dresden Flower Garden

These Dresden plates have always reminded me of flowers, or stars or fireworks but mostly flowers. In this class we will make just a few plates, learn some different edge and piecing techniques, explore colors and layout, learn to make bias stems and create our own “gardens”. Ideal for making just a few. Use your favorite “flower” fabrics whether in prints or solids. Use a solid background or piece one. Applique by hand or by machine. Lots of choices but unique and fun.

Supplies:

Sewing machine with ¼” foot available

Dresden wedge ruler: I like the 18° but you could use others (15, 22.5, 36)

Rotary cutter, (Mats provided)

Point turner,

3 or 3 ½” circle template

Fabrics:

A nice wide variety of ¼ to ½ yard cuts. Contrast in color or texture is good. Large prints, solids, small prints all are fine.

Total of 5 plates require 5-8 - ½ pieces

½ yard fabric for stems and leaves

Pellow 906F ½ yard

Background measures 40 x 50” but that is up to you. You can wait to get the background fabric, piece it now or use a solid piece.

Book: (optional but you are going to want it)

Reimagined Dresden Quilts & Blocks C & T publishing

Questions: Candycequilts@gmail.com

If you have made plates before and want to use them and add some more on that is great.
