December 2018/January/February 2019

To My Customers and Friends

Thanksgiving soon and then the rush of Christmas, it seems like it comes faster every year.

We had such a nice group of ladies here from Australia and New Zealand yesterday. They thanked ME for having them. I was thrilled with their enthusiasm and their patience when we were cutting and checking out. It makes me want to go to visit them sometime. They loved the prices of fabrics here. Apparently fabric is

very expensive there.

The block-of-the month (1st and 3rd Saturday) will be debuting in January. We hope you all will want to go to Holland with us. Windmills, tulips, and beautiful colors will be featured. We will be asking you to do both blocks as we have the entire quilt designed around 25 blocks with a very integrated design. In the past, almost everyone did both blocks so we hope this will not be a problem for any of you.

We start our Pere Marquette retreat tomorrow, and I have several Christmas projects I hope to finish. It will be nice to get a block of time to get them done. The fall colors will also be a real bonus.

This is a stressful time for many of you. I hope you will take some time for yourself. It is important to you and those around you.

Louise and her Terrific Staff!!!!

Coming in January! New Block-of-the-Month

We're very excited to report that ***The Fox Tiptoes Through the Tulips*** will start in January for our first and third Saturday Block of the Month. This unique Quilted Fox design is inspired by the beauty of the landscape in the Netherlands. Think of the colors found in the gorgeous tulip gardens and the striking architecture of the Dutch signature windmills.

Sign-ups start as soon as the newsletter is posted! As always, space is limited and we cannot guarantee that sign-ups after January 1 will be possible. When our maximum number is reached, the registration will close.

As in recent years, we have put a lot of effort into designing a complete quilt using 24/25 blocks to

get an interesting, integrated quilt. For this reason, we have changed the program to have all who participate do both blocks each month. You will only have to show us the completed main block, but you will be signed up to receive both blocks each month.

The rules will remain the same. In brief, complete the main block each month and show it to us on the Saturday (1st or 3rd) that you have signed up for. Be here by the time the doors close at 9:00 am, and remain for the 30/40 minute demonstration.

The cost is \$15.00 to start, \$5.00 per month for the alternate block. If you pay for the year in advance, it is \$55.00 for the alternate blocks (total of \$70.00 including start-up fee) getting one month free (\$5.00). Sales tax is not included.

At the end of the year, you will be offered a finishing kit to complete your quilt.

Do plan to join us as our signature fox tiptoes through the tulips!
