

Directions for the retreat:

Plan to arrive any time after 10:00 am. **I strongly request that you abide by the arrival time so that I have a chance to get things organized with the Pere Marquette staff and have the sewing rooms ready for you.** Lunch is on your own the first day and there is a very nice restaurant there at the lodge.

Here is a list of some things you might want to bring:

Sewing machine and your pedal and cord- perhaps even your manual

Extension cord

Power strip

Adapter if necessary

Extra lighting if wanted

Iron and ironing pad

Rotary cutter and mat

Paper bags and masking tape for small trash at your tables

Just typing this up gets me excited to come. I will have items for sale in case you forget something. I always love to get to do some real power sewing and socializing- I need to prove that yes- I do sew. Thanks and I look forward to seeing you there. Louise
