Hot Pad Table Runner

Class Prep

- 1) Make a copy of the Fabric Swatch Chart before placing swatches on.
- 2) Precut and Label all of your Fabric.
Note: a. Fabric #7 requires light fusible interfacing. See **at bottom of page 2 cutting instruction of pattern.
b. You will need to cut 4 - 2 inch squares for the center of the hot pads.
c. You will need to cut 1 - 9 inch square of insul-Bright.
d. You will need to cut 1 -9 inch square of backing for the matching hot pad.
- 3) Make your three hot pads per instructions on page 6, #1 and stop there.

Items to Bring to Class

- 1) Sewing Machine.
- 2) Sewing Supplies.
- 3) Prairie Pointer Tool. (This will be used to make Prairie Points on the ends of the runner.)
