## FREE MOTION QUILTING

Instructor: Kristin Kulinski

Please stop in at the store prior to your class to purchase fabric, book and supplies so that we can get to work as soon as the class starts.

### SUPPLIES:

BOOK: Beginner's Guide to Free-Motion Quilting by Natalia Bonner

at least 3 quilt sandwiches each using  $\frac{1}{2}$  yard of muslin and lightweight cotton batting.

Size 80/12 sewing machine needles

Small Scissors for clipping thread

1 spool of 50 weight cotton thread. Aurifil has a beautiful selection of colors. Choose a color that will stand out against the muslin. This makes it easier for you to see what you are doing and for me to make suggestions.

Darning or free motion quilting foot. You need a foot that will float above the feed dogs so that the fabric can be freely moved.

Basics: machine in good working order, power cord and foot control, a bobbin wound with the 50 weight thread you will use in the needle

Students must provide their own sewing machine and quilting/darning foot.

### Registration and Cancellation Policy:

Registration is guaranteed upon full payment of class fees. We do not refund class money unless the class is cancelled. If you wish to register by phone, please have your credit card handy.

In case of insufficient class enrollment, we will contact you three days before the scheduled class to let you know that the class has been cancelled. We will refund your money, apply the amount towards another class or apply the amount toward the purchase of merchandise.

Snow Days: We will refund, credit or reschedule any session held on a day that the Mukwonago School District has issued an official snow day.
