The Gorgeous Tee Shirt Quilt!

WHAT YOU WILL LEARN:

You will learn how to cut, size and interface each tee shirt. Then you will need to decide the layout of your quilt. You will learn how to do sashing between each shirt. The last things you will learn is to add borders to your quilt and make the backing for it. Please bring all clean tee shirts that you think you want in your quilt. You can bring your own fabric or purchase from a wonderful selection at Berger's once you get your tee shirts cut. **PLEASE DO NOT CUT YOUR TEE SHIRTS BY YOURSELF!**
