WHAT YOU WILL LEARN:

In this class I will teach you how to cut out your trees without having to paper piece them and still get perfect points

PLEASE ensure your machine is in good working order **PRIOR** to the first day of class. Fabric can be purchased the first day of class, as well as needed tools and notions.

YOUR SUPPLY LIST (WHAT YOU NEED TO BRING):

- Working Sewing Machine
 - Foot pedal
 - Power cord
- Good quality thread (Bring several colors of thread to match your fabrics for the petals.)
- Wound bobbins
- Topstitch or jeans needles
- Pins to secure petals in place while sewing
- Scissors
- Marking chalk or pens
- Terial Magic stabilizer spray (Helps stabilize your fabrics so they do not fray when working with them.)
- FABRIC REQUIRMENTS:
 - TREES – 3/4 yard each of 8 prints
 - COURTHOUSE BLOCKS – 5/8 yard each of 4 prints
 - TREE TRUNKS – 9”x22” each of 2 prints
 - Background, border & binding 4 yards
 - Backing 5 Yards
 - Prep and iron your fabric with Teryl Magic so it will not stretch on you
- Class is 4 hours so you will need to bring a snack. You will need to bring cash if you want to buy lunch
- CUTTING INSTRUCTIONS - You may cut your fabric per the Cutting Instructions on Page 2 that will be available in the shop!!
