Aerial

Embroidery & Sewing Machine

NeverMiss™ Automatic Needle Threader

The NeverMiss Needle Threader does exactly what it promises – it threads your needle with little more than the push of a button.

8" x 12" Embroidery Field

There's plenty of room for your embroidery designs, and you'll enjoy less re-hooping, too!

262 Built-In Embroidery Designs

You'll always have something to embroider with Aerial's selection of built-in designs. The library features large thumbnails to make finding the right match even easier.

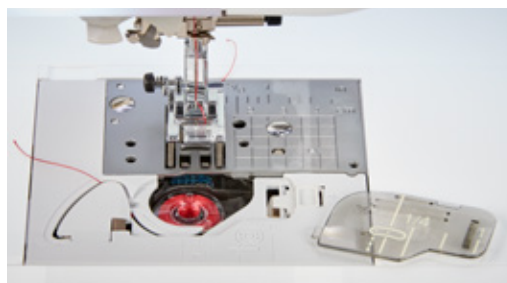

Large Work Space

With a generous 11.25" workspace the right of the needle, Aerial gives you plenty of room to work. Those larger projects aren't anything to worry about!

Hands-Free Presser Foot Lift

Keep both hands free for sewing. Start and stop your sewing without ever taking your eyes—or hands—off your project.

Quick-Set Drop-In Bobbin

Simply drop your bobbin in the machine, pull your threads through the slot and let your machine do the rest.

Convenience Features

- Convenient one-touch buttons for:
 - Start/Stop
 - Reverse sewing
 - Reinforcement stitch
