Aurora

Embroidery and Sewing Machine

191 Built-In Stitches

With 191 built-in stitches, you'll have many creative options. From numerous utility stitches to decorative ones, you'll find something for every project.

Wi-Fi Enabled

By using Design Database Transfer, you can easily send your designs from your computer to the machine. Also, when WLAN connection is enabled, you will receive notifications when new updates are available for your machine.

Available for Windows OS 8, 8.1, 10, 11

Advanced Needle Threader

Threading a needle has never been easier than with this innovative threader. With just a few simple motions, your needle is threaded and ready to use - it's so easy, you can do it with one hand!

303 Built-In Embroidery Designs

With 303 built-in embroidery designs, you'll always find inspiration in the Aurora.

4"x4" Embroidery Field

The included 4"x4" (100mm x 100mm) hoop is perfect for personalizing your project with any of the Aurora's built-in embroidery designs and fonts.

Push-Button Features

Push-button features make it easy to choose your settings on the Aurora. You can position the needle up or down, cut thread, reverse sewing, and start and stop sewing.
