

Level: Intermediate

Class Date: November 9th from 10am - 1pm

IQ Designer Series with Gail: Quilted Bubbles Sampler

WHAT YOU WILL LEARN:

Since some of you cannot bring your machines to class, we will try a 'hybrid' approach. Those who want and can bring their machines are welcome to, those that cannot will be able to take turns on the store machines. There will only be an Altair and a Solaris 2 available, so if you have a Destiny, Valiant, or Solaris 1 then you may need to modify some of the techniques. We will only be doing a small sampler in class since not everyone will have a machine, but I have great confidence that you can take the techniques learned and create your own quilt, table runner, or wall hanging. **If you are not bringing your machine, please e-mail the shop, this when you sign up so I am prepared with the store machines.**

YOUR SUPPLY LIST (WHAT YOU NEED TO BRING):

- Machine with the IQ Designer- Solaris (1 or 2), Altair, Meridian, Destiny, Valiant, Venture
- Embroidery attachment
- Hoops for the design you will be quilting (largest hoop, regular or magnetic)
- Cut away or tear away stabilizer and scrap fabric to sew out your design before you try it on your quilt, and you can also use this as a template if necessary *
- Solid piece of fabric to applique your bubbles, 15"X 24" will work*
- Tear away stabilizer for the applique portion of the sampler *
- Batting and backing fabric for your quilt sampler, 15" X 24" *
- Fusible batting (Hobbs 80/20 blend, Berger's carries this), OR regular batting and temporary spray adhesive to hold the quilt sandwich together
- Fabrics with fusible backing for your bubbles, 7 inches in diameter, at least 4 colors*
- Thread to quilt*
- Thread to applique*
- Bobbins filled with appropriate thread for quilting*

- New needles (80 or 90 topstitching, super universal, or embroidery)*
- Embroidery foot
- Small scissors*
- Sewing gauge*
- Phone or tablet with app installed if you need them for placement (Altair, meridian)
- Stylus or mouse (mouse will help you be more exact)
- Any other embroidery/quilting tool you love to use

****Can be purchases at Berger's.***

Rotary cutters, rulers and mats will be available for your use.
