## **Quilter's 12 Pocket Tote Bag**

---

### **WHAT YOU WILL LEARN:**

In class you may make the size bag you need - see the supply list - large, medium or small. I would suggest doing the large size in class. Once you make one (1) bag in class the other sizes will be very easy to make at home. Each size will have 12 pockets to carry your supplies and quilts or the things for the beach, groceries or whatever you need a tote bag for. Can even be used as a purse and will be shown in class. This tote bag has all kinds of uses.
