

## Fabric Tubes 101 -- Lois Davila

Learn valuable tips and tricks for creating the “fabric tubes” used in many popular **Aunties Two** patterns. Instruction will focus on needle and thread choices, stitch selection, stabilizers, helpful “tools,” and more...all designed to help you **master important skills** for creating the perfect “bag body” to make the prettiest bags and totes! Your “practice” tubes will be used to make a **case for tech accessories!**

10:30 – 1:00pm

Lois Davila
