COMPLETING THE RECTANGLE BLOCKS

1. Draw a diagonal line from corner to corner on the wrong side of each 2" white tonal square. Place a marked square right sides together on 1 corner of any fabric 3½" x 5" rectangle and stitch on the marked line. Trim the seam allowance to ¼" and press the white piece to the right side to complete 1 rectangle unit. Repeat with all 3½" x 5" rectangles to complete a total of 30 matching sets of 2 each rectangle units and reverse rectangle units. **Note:** Each block uses 2 each rectangle and reverse rectangle units of the same fabric.

2. To complete 1 Rectangle block, select 2 each same-fabric rectangle and reverse rectangle units, 1 same-fabric 1½" square and 2 each 1½" x 3½" and 1½" x 5" white tonal rectangles.

3. Join 1 each rectangle and reverse rectangle unit with a 1½" x 5" rectangle to complete a rectangle row. Press seams toward the rectangle units. Repeat to make a second row.

4. Sew the same-fabric 1½" square between the (2) 1½" x 3½" white tonal rectangles to complete the center row. Press seams toward the square.

5. Sew the center row between the 2 rectangle rows to complete 1 Rectangle block. Press seams toward the center row.
