Time to Celebrate February National Embroidery Month and March Quilting Month

Things you should know

Machine Service

Do you have a sick machine or one that needs to go to the "spa" ? Your sewing machine likes a good clean, oil & adjust to keep them happy and running smoothly. We service most models of sewing machine brands. Give us a call for more details.

Monthly Free Embroidery Designs Created by Amy

Each month we will release a new design for you to get copied on to your USB Stick. We will create the designs using the new mySewnet software. If you don't have a stick, we have some to purchase. The first design was released in January "Sew Fine". You can edit out the words and insert your own Valentine's message.
