

My, My Myrna!

Skill Level: Enthusiastic “Beginner-mediate” - It’s best to have a general understanding of pattern reading and bag construction. If you’re unsure, ask!!!

Materials Needed

- Myrna Zippy Pattern by Sallie Tomato
- Yardage
 - 1/3 yard (12 in), OR 5/8 yard (22.5 in) if you’re using it for straps too, of exterior.
 - 5/8 yard (22.5 in) OR 2 fat quarters of lining fabric.
 - 1/3 yard (27” wide) OR 1/4 (42” wide) of contrast material.
 - 1/2 yard of Fusible Interfacing SF101 or 911FF.
- Supplies
 - Hardware - I highly recommend the “Myrna Hardware Kit”, it has all the needed hardware at just the perfect size!
 - Zippers! One 9”, or longer, and two 12”, or longer, coordinating zippers. OR Get one package of zipper by the yard, my favorite!! (Don’t be scared, I’ll help!)
 - Zipper Foot and Regular Presser Foot
 - Wonder Clips
 - Roxanne Chalk marking pencil, or similar.
 - Denim Needles (Bring 2-3, just in case)
 - Seam guide ruler and markers.
 - Coordinating thread - 50wt Aurifil or Masterpiece work great!
 - Rotary Cutter
 - Standard 6.5”x12.5” ruler - I love Creative Grids!
 - Sewing machine and power cord (seriously, you need them!)

February 16th and 23rd, 1-5pm

- Fabric Scissors
- Helpful, but not required
 - Thread snips, personal size iron and ironing surface, surgical seam ripper, personal size cutting mat (Omnigrid makes a great cut/iron travel combo), a little bit of patience, and some chocolate! HA!

Fabric Selection

This part is simple, choose what you love! If what you love happens to be directional, get a bit more to make certain you have enough for the pattern to all be facing the direction you intend when you're finished.

Pre-Class Cutting!!

I know, I know, homework BEFORE class seems crazy, but it will help tremendously come class time. Please follow the cutting instructions on page 1 in the pattern, and label them using the handy **premade labels on page 7** and a wonder clip. And I know you'll be tired at 10pm the night before class after you've finished cutting everything, but don't forget to stick them in your bag!!

If you have any questions, feel free to come visit me at the shop (I'm there most days), or text/email. You can call, but there's a very good chance I won't answer. Text or face-to-face gets the swiftest response from me.
