

ONE BLOCK WONDER CLASS SUPPLY LIST
Joan Corson : jbcorson@mac.com

In this fun class you will learn the technique to create a beautiful “mosaic” style quilt from one fabric!! Fabric selection is key.

Supplies:

MUST HAVE A ONE BLOCK WONDER BOOK, all of which detail fabric selection very well.

Fabric with a 12-24” repeat. You will need 6 repeats at a minimum. Many like to buy extra fabric to show what the fabric originally looked like before being cut and put into hexagons. Usually about 4 1/2 yards The Ladies at Quilters Crossing are happy to help you select fabric. Look for something you like to colors in and has good movement. Also, you can use the following website to load a photo to and view the results **oneblockwonder.com**

60 degree triangle ruler (clear view ruler is nice), must be a full tip triangle ruler, not one that has the tip cut off

sewing machine that you know how to use and is in good working order

rotary cutter with NEW BLADE

flat head flower pins- must be flat head

Ziploc bags, extra pins (any type) or wonder clips

18” Strip Stick pressing tool highly recommended

In the first class we will cut fabric and piece a few hexagon sets. There will be homework in between classes.
