

Building Blocks: A Modern Layout

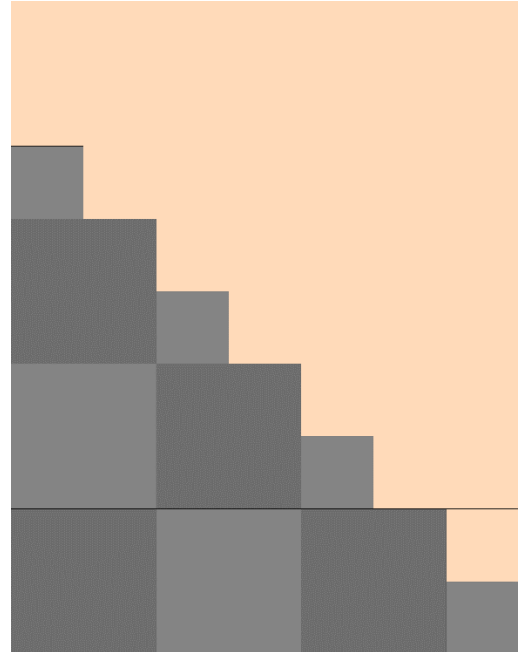

42" x 54"

Materials Needed:

- (6) 12" finished blocks
- (4) 6" finished blocks (pick a 12" block that is made in quadrants like the Value 9-Patch and do not sew the quadrants together in the final step)
- 1 3/8" yards background fabric

From the background fabric cut:

- (1) 18 1/2" x 36 1/2" rectangle
- (1) 12 1/2" x 24 1/2" rectangle
- (1) 12 1/2" x 12 1/2" square
- (1) 6 1/2" x 12 1/2" rectangle
- (3) 6 1/2" x 6 1/2" squares

Instructions:

Pair the three 6 1/2" unfinished blocks with three 6 1/2" background squares and sew together. Sew the remaining 6 1/2" block to the end of the 6 1/2" x 12 1/2" rectangle.

Lay out the 12 1/2" blocks (shown in gray), the 6 1/2" pairs and the background fabric (tan) as illustrated. Sew together into rows. Press towards the background fabric. Sew rows together.
