

Flight Line

a 3 block runner

18" x 48"

Materials Needed

(3) 12.5" unfinished blocks

1/3 yard sashing and outer border

(8) 12.5" x 1.5" sashing strips

(4) 48.5" x 1.5" long border strips

(8) 1.5" square separators

(136) 1.5" squares – sew 1.5" strips of mixed fabrics to create a strata, then cross-cut into 1.5" strips. If you have 12 or some multiple that makes 12 it will go together quite easily.

Backing – 3/4 yard

Binding – 1/3 yard

Instructions

1. Add a sashing strip to opposite edges of 3 blocks.
2. Create strata of 1.5" squares. Sew strip of 12 squares between each block and on the ends.
3. Add sashing strip to each end.
4. Add long inner border.
5. Add long strata border (note separator in position 3 from each end). Total of 48 squares.
6. Add long outer border.
