

Dear Grand County Library District patrons,

The Grand County Library District is pleased to announce an additional open day at all of its branches beginning Thursday, May 21, 2015.

Additional proceeds from a legal settlement last year and the district’s recent refinancing of debt has given the Grand County Library District Board of Trustees the opportunity to reevaluate its financial planning for the district’s strategic plan.

The district’s finance committee has undertaken careful financial forecasting to determine the best use of the additional reserves. As a result of responses to the district’s 2014 GCLD community survey, the GCLD board has decided to add an additional day at all five district branches.

Please review the new branch library schedules listed below. The new library hours are scheduled to begin Thursday, May 21, 2015.

Thank you for your continued support of the Grand County Library District.

Sincerely,

Stephanie Ralph
