

Seed Starting Class

with Leslie Crosby and
Merilyn Hunter

Wednesday, April 18

5 pm—6 pm

HSS Library • 150 Moffat

Learn to start vegetables or flowers from seed!

Discover some tricks to help you succeed in starting your garden from the ground up.

Topics covered include:

Seed Choice, Growing Mediums, Planting,
Germination, Transplanting

This workshop is for adults and children.

We will provide the materials including

a small variety of easy-to-germinate flower
and vegetable seeds to choose from!

You will take home something to grow in your sunny window until it is time to transplant it outside!
