

Clue #4. Hidden Depths

BEFORE YOU BEGIN: You will be finishing the square-in-a-square unit. Your retailer may recommend using a specific ruler. If you are using a special ruler, use the cutting Instructions with your ruler that will result in an 8" finished block.

Cut it out. Cut from Width of Fabric (WOF) Set aside remaining fabric for future use.	Fabric -1 <i>shown White</i> Cut (2) 5-1/4" strips, sub-cut  into (11) 5-1/4" squares, cut twice, diagonally (3) 4-7/8" strips, sub-cut  into (22) 4-7/8" squares, cut once, diagonally	Fabric -4 <i>shown Red</i> Cut (2) 4-7/8" strips, sub-cut  into (11) 4-7/8" squares, cut once, diagonally
Fabric -5 <i>shown Lime</i> Cut (2) 4-7/8" strips, sub-cut  into (11) 4-7/8" squares, cut once, diagonally	Fabric -7 <i>shown Blue</i> Cut (1) 5-1/4" strip, sub-cut  into (6) 5-1/4" squares, cut twice, diagonally	Fabric -8 <i>shown Purple</i> Cut (1) 5-1/4" strip, sub-cut  into (6) 5-1/4" squares, cut twice, diagonally

Put it together.

1. Use the square-in-a-square units from Clue #2 and continue building. Follow the same instructional steps you followed in Clue #2, starting with a 5-1/4" **Fabric-1** QST added to the top and bottom of the unit. Press to the outside.

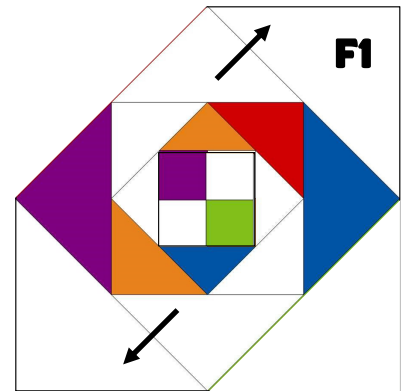

2. Following the same method, stitch a 5-1/4" **Fabric-8** QST to the left side and a 5-1/4" **Fabric-7** QST to the right side of the unit from Step 1, as shown. Press to the outside. The unfinished square should measure 6-1/4". Make (22) units.

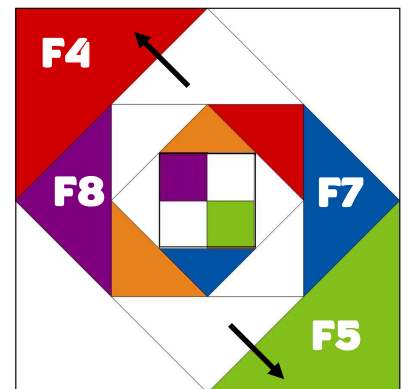

Clue #4. Hidden Depths

Continued

3. Following the same method, stitch a 4-7/8" **Fabric -1** HST to the top-right and bottom-left corners of the unit from Step 2, as shown. Press to the outside. Make (22) units.

4. Following the same method, stitch a 4-7/8" **Fabric-4** HST to the top-left corner and a 4-7/8" **Fabric-5** HST to the bottom-right corner of the unit from Step 3, as shown. Press to the outside. Trim dog ears. The unfinished block should measure 8-1/2" square. Make (22) units.
Finished (sewn in the quilt) = block measures 8"
