

TFC Off-Site Retreat @ The Art Nest Retreat Center

Get ready for TFC's epic quilting adventure away from home! How awesome does that sound?

We're off to the brand-new Art Nest Retreat Center in Agency, MO from May 30 to June 2, 2024.

The Art Nest is a new retreat center owned by one of my good friends. So, when your friend opens a retreat center - you book a retreat!!

And let me tell you, this retreat is a dream! The Art Nest is packed with perks like adjustable tables and chairs, cutting and pressing stations, fabulous lighting, and sew much more.

But hold on, there's a whole lot more fun in store!

- **Relax:** Dip into the bubbly hot tub, unwind in the massage chair, or catch a flick in the cozy media room furnished with plush seats.
- **Foodie Paradise:** Whip up gourmet meals in the huge kitchen featuring a 16-foot island, two sinks, double ovens, a cooktop, microwave, fridge, wine bar, and coffee/tea station. All the kitchen tools you need are at your fingertips, plus an ice maker for those cool drinks.
- **Chill and Chat:** Enjoy lively conversations in one of the two living rooms, and stay connected with high-speed WIFI throughout.
- **Outdoor Fun:** Expand your hangout zone to the roomy patio, perfect for lounging and soaking in the fresh air.
- **Calling all Quilters:** Dive into the impressive quilt library for endless inspiration from books and craft goodies.
- **Outdoors:** Don't miss the Fire Pit area and Sunroom.

The Art Nest boasts 7 bedrooms that sleep 3 guests each and 1 bedroom that sleeps 4, all with private bathrooms.

Food will not be provided, so get with your friends and decide what you want to bring! Also feel free to bring snacks to share. A Mexican joint and pizza spot are nearby, and St. Joe is just a short 15-minute drive away.

The retreat costs \$290 per person, with a \$50 registration fee required to secure your spot. The remaining \$240 balance is due by May 24. If you cancel before May 8, 2024, you will receive a refund for the registration fee. However, no refunds will be issued after May 8, 2024.

Registration opens on March 15, giving you time to plan and invite your friends. If you are coming as a group, appoint one person to register online for everyone, providing each member's details. We will try to allocate rooms based on group size. Individual registrations will be accommodated accordingly.

We are thrilled about our first off-site retreat and can't wait to spend a weekend with our valued customers! Exciting activities are lined up for a memorable time!

Feel free to reach out if you have any questions! Remember to mark your calendars for the registration opening on March 15th.
