

# Paper Piecing Roasterie or Western Auto with Jenifer Dick

4-hour workshop | Beginner-Advanced | Pick the pattern of your choice – Roasterie or Western Auto

## Supply List

### Roasterie

- Pattern
- Add-a-Quarter ruler, optional but highly recommended. A regular acrylic ruler works great too.
- A personal mat, personal iron, and ironing board are nice – bring them if you have them. If you don't have these, there will be irons and mats available in the classroom.
- Fabric:
  - Large variety of scraps in blues and grays  
(light, medium, and dark in each color family)
  - 1/4-yard red prints or solid
  - 1/8-yard yellow print or solid
  - 1/8-yard silver print

### Western Auto

- Pattern
- Add-a-Quarter ruler, optional but highly recommended. A regular acrylic ruler works great too.
- Rotary cutter,
- A personal mat, personal iron, and ironing board are nice – bring them if you have them. If you don't have these, there will be irons and mats available in the classroom.
- Fabric:
  - Large variety of scraps in medium and dark blues  
and light to medium grays
  - 1/2-yard red print
  - 1/2-yard light red print

## Before class

- Gather your fabric.

- Make sure your machine is in working order and you know how to use it!
- Snacks and water are always a good thing to have in class!

**Note:** Pre-printed paper piecing templates (printed on newsprint) will be provided. If you prefer to use a different paper piecing paper, you're welcome to print your own templates (included in the pattern) before class.
