Join us for a new skillbuilding series of classes!

January - July 2021

Space is limited so sign up early!

Join us for a new monthly skill building series of classes making totes & bags!

Starting with basic bag skills, the classes will progressively build knowledge and more challenging skills each month. By the end of the club, you will have some impressive totes and organizers.

If you've been hesitant to sew totes and bags or concerned about some of the skills required, you should join the TOM Club. Or, if you've made basic totes but would like to build your skills to learn varied techniques, you should join the TOM Club.

With our method of adding skills each month, it will not be overwhelming. You will have seven totes and organizers by the end of the club and will have lost any lingering fear of making totes!

Some of the skills you will learn include:

- Various types of straps
- Many different pockets
- Easy corners
- Zippers, yes, zippers – including inset zipper closure!
- Linings
- Interfacings
