Utility foot (general foot)

Matching thread for top stitching on napkin and placemat

Plastic sheet or card stock at least 18"x10" for template

### Homework to be done prior to class.

Prepare your fabric by giving it a good pressing.

For the placemat, cut one strip 2.5" by WOF of the inner border.

Cut 2 strips 2.5" by WOF of the outer border.

For the napkin cut one strip of brown fabric 2.5" by WOF for the tree trunk. Square up your panel before class. If you don't know how to square up fabric I will be in studio on Thursday the 23rd and 30th to help or you can YouTube it.
