

Stay at Home and Quilt with Tami: Qube's Best Friend

June 10, 17, and 24, 1:00 – 3:00 pm

VIRTUAL CLASS!

Another virtual class with Tami. This quilt looks complicated, but there are only two main blocks to complete and it is all cut out with Accuquilt Qube and Strip dies! Don't want to make a whole quilt? You can make a Table Runner instead!

This class will be conducted virtually, using Zoom. You DO NOT have to join Zoom to take the class. Tami will provide instructions on how to connect and participate in the class. This is a great way to meet new people, have fun talking while learning, and making something new!

All fabric must be cut prior to the start of the class - you can do this on your own Accuquilt system, or for a small \$10 fee, you can cut it all on Serendipity Quilting Studio's GO! Big system! First session will focus on Block 1, the second session on Block 2, and the third session will be how to put it all together! This is a great scrappy project - you can see the two blocks Tami made in Batiks at the store!
