MARCH 2019 PROJECT

Sweet Pea Designs Bird Table Runner

I saw this on Sweet Pea Designs done with the bird as a cardinal and thought it was an adorable early spring table runner. So, decided I wanted to make it. If anyone else would like to join me, I'll be making it at Serendipity Quilting Studio on Sunday, March 17, 2019, from Noon – 4:00pm. We will figure it out together!

This pattern is for machine embroidery, mostly done in-the-hoop, with sizes for the 5x7, 6x10, or 7x12 inch embroidery frames. The pattern online is \$15.00. But it from us and save \$1.00. Our price is \$14.00. Bring your USB drive with you - I'll download the pattern to your USB drive. (We are not pirating...we

buy bulk and save!)

For ideas and inspiration, check out the pattern at [Sweet Pea Designs!](#) There are a lot of various colors and birds that make a huge difference in the overall look of the table runner.

Below are the fabric requirements for each panel. There are four different panel designs, and you can combine these panels in any number/configuration you want for your table runner. I'm making mine with six panels in the 5 x 7 inch frame and will be sewing it out on my Eversewn Sparrow X sewing and embroidery machine.

If you want to join in on the fun, please sign up for the class online: [Tami's Time](#)
