

# Bread and Butter

(and let's throw in the kitchen sink)

18" x 49" Table Runner

Let me share my go-to table runner pattern with you. You'll be amazed how adaptable and quick this pattern can be. To kick it up a notch, we'll customize it as we learn additional techniques we can do with Deb Tucker's Tucker Trimmer - her most basic, yet versatile tool. You could have this on your table for dinner tonight!

## Pre-Class Cutting Instructions

\* Nothing to cut prior to class! Bring all your project fabric and your normal ruler you use to cut strips/squares.

\* If you'd like to learn additional techniques for the Tucker Trimmer, increase the background fabric to ½ yard and add two more ¼ yard cuts of coordinating fabric so you can play with your options 😊
