

# PCW MONTHLY SCOOP

## IN THE SPOTLIGHT: CATHERINE POOLER DESIGNS INKS

The SPA Collection of inks from CPD, featuring soft, vintage tones, have been recently added to the PCW ink line-up.

- Foam pad makes stamping solid images a breeze
- Intense colours make your images POP!
- Drag your pad on your paper to make your own solid cardstock
- Good for ink blending and stenciling!
- You can watercolour with them too!

## TIP!

To make your diecutting plates last longer, frequently flip and rotate your top plate 180 degrees to evenly distribute pressure. Also move your dies around and avoid cutting in the same place every time.
