IN THE SPOTLIGHT: STAMPERIA

Hungary-based Stamperia opened its doors in 1995 and has been providing beautifully coordinated papercrafting supplies ever since.

- Credited as the first company to print on rice paper
- Illustrated papers and junk journal books appeal to all crafters - and elements punch out! No fussy cutting required.
- Supports with stencils, pastes and other mediums
- Quickly becoming a PCW Fave!

✓ TIP!

Condition your stamps before using to remove residue from manufacturing. Rub the surface with a white eraser or adhesive eraser. OR, rub the stamp on the inside of your arm. Clean with a shammy and water before stamping.
