

PCW MONTHLY SCOOP

IN THE SPOTLIGHT: TURN THE PAGE MINI ALBUMS

Do you like memory keeping but looking for a smaller format than 12x12? Then, the Keepsake Studio "Turn the Page" collection by Esther Glas and Spellbinders is for you!

- A5 Binder albums keep things compact and flexible but leaves room for creativity
- Dies and stamps help you create unique pages
- Vintage papers and ephemera are right on trend!
- Darlene teaches a monthly class to help you learn and create! Ask us for details!
- Watch for a special announcement later in Sept.!

✓ TIP!

When buying ink pads,
buy the reinker at the same
time. This way, you can
easily reink your pad when it
dries out. AND you can use
reinkers for watercolouring
and splattering in
coordinating colours.
