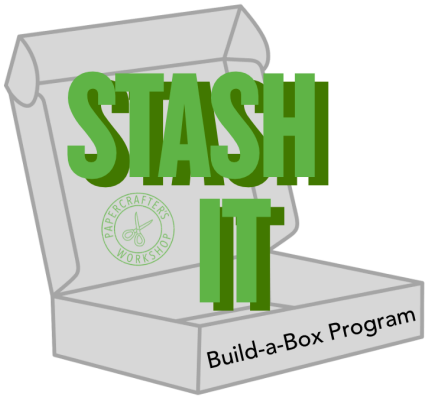
BUILD-A-BOX is now

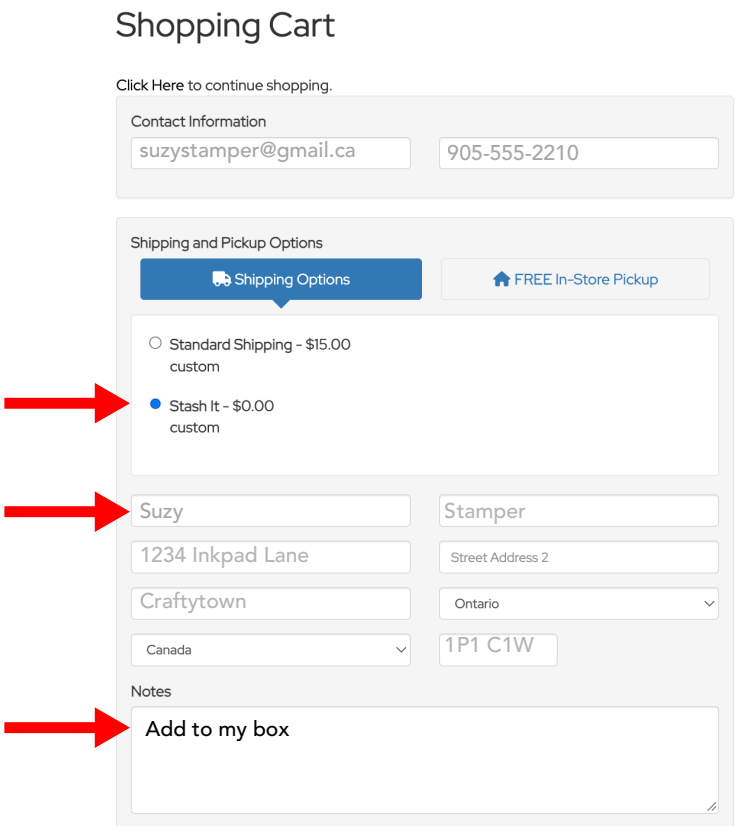


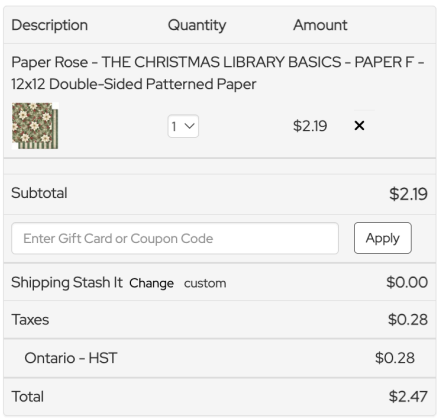
WHY ARE WE CHANGING THE PROCESS?

- Out-of-province customers will receive the correct sales tax charges when using the program, making it easier to use.
- Receive a "shipped" notification for EACH AND EVERY order included in the box - so you can confidently know what's coming.
- Allows us to capture correct and up-to-date shipping information.

HOW TO CHOOSE "STASH IT"

(for Build-a-Box orders only - not for single order shipments)





1. Shop as usual at www.papercraftersworkshop.ca
2. Proceed to CHECKOUT
3. Enter your email address and phone number
4. Under "SHIPPING OPTIONS", choose "Stash It"
5. Check the correct address has been entered.
6. In the NOTES, write "Add to Box" or "Add to Box and Ship"
7. Click green "CONTINUE" button
8. Check out as usual
