### **Fabric: (If you didn't purchase a kit)**

- See pattern for Fabric Requirements - Pay attention to size, our kit is lap sized, but there are many sizes with different cutting and requirements.

### **Supplies:**

- Pattern: The Tessa Quilt Pattern by Kitchen Table Quilting
- Normal sewing supplies: scissors, ruler, rotary cutter, cutting mat, pins, glue pen, seam ripper, starch, machine with all regular attachments, etc.

### **Preparation:**

- Please press and lightly starch all fabric.
- Our sample and kit are lap size. Cutting is found on page 3 for the lap size. Sub-Cutting is found on page 5. The layout for the lap is on page 6. (Be sure to check the sizes listed on the pages as you go to avoid mistakes.)
- Labels for fabric letters are VERY important throughout the quilt. I suggest you have some small stickers or post it notes for this project.
