Class Dates: July 28th, 2023
(Video Email)

Fabric: (If you didn't purchase a kit)

- See pattern for Fabric Requirements
- Replace fusible batting with Fusible Fleece (Optional)

Supplies:

- Pattern: Zip It Bag pattern by Sewn into the Fabric
- I suggest a zipper 22" or longer instead of the zipper called for on the pattern. This is especially important for those who are new to sewing zippers or sewing zippers that are on a curve.
- Glue Pen or Glue Stick
- Hera Marker
- Zipper Foot
- Pellon 805 Wonder Under (as listed on pattern)
- Normal sewing supplies: scissors, ruler, rotary cutter, cutting mat, pins, glue pen, seam ripper, starch, machine with all regular attachments, etc.

Preparation:

- Please press and lightly starch all fabric.
- I would suggest watching the class video before cutting out this project. I will discuss directional fabrics, improve piecing, and non-directional fabrics.
