Follow the cutting instructions on pages 6-7. We will be starting with this unit.

The cutting instructions for the Flower Basket may be new to you.

Fabric B1. These are all exact cut templates. What's new is the template sheet. It is one large template layout sheet. It has a dashed line around it, see diagram pg. 10. After you have stacked your fabric the layout sheet is placed on top and continue cutting.

Fabric B2. Follow the instructions.

Fabric B4. Basket Cutting, pg. 11-12. There are 2 options. I will be demoing at the first class. Please wait until then before doing any of the cutting on these pgs.

Fabrics C1-C3. Cut as instructed.
