

ORDINANCE NO. 407

ARTICLE 3: 7-324, CHAPTER VII OF THE CITY CODE OF LONGTON REPEALING ARTICLE 3; 7-323, CHAPTER VII AND MAKING A PART SAID CODE THE FOLLOWING RULES AND REGULATIONS

ARTICLE 3: 7-324 – SEWER REGULATIONS.

- (a) In regards to installing a new commercial or residential sewer service line in City limits - it is the property owner's responsibility to install no more than 400 ft of the service line from the home (structure), the remaining service line to the sewer main is the responsibility of the City of Longton.
- (b) All out of city limit connections shall be according the terms of an agreement between the city and user of such sewer line.
- (c) Future maintenance to the (full length) existing service line will be the sole responsibility of the property owner. If a service line is plugged, the property owner must have a certified and/or licensed plumber do maintenance on said line. If it is found that the plug is at the "Y" or in the sewer main, and the Utility Supervisor for the City, also determines the same, the property owner of said sewer connection will be reimbursed the cost of service provided by the certified and/or licensed plumber. The City will assume all responsibility of maintenance of the "Y" and/or sewer main.
