

ORDINANCE NO. 408

ARTICLE 1: 11-111, CHAPTER XI OF THE CITY CODE OF LONGTON
REPEALING ARTICLE 1; 11-103; CHAPTER XI AND MAKING A PART SAID CODE
THE FOLLOWING RULES AND REGULATIONS

ARTICLE 1; 11-111 – WATER SERVICE, NEW CONNECTIONS.

(a) New connections must be three-quarter (3/4) inch service lines and five-eighths (5/8) inch meter connections.

All water connections larger the three-quarter (3/4) inch shall be installed according to the terms of an agreement between the city governing body and the owner of the premises to be served.

(b) In regards to installing a new commercial or residential water service line in City limits – it is the property owner’s responsibility to install no more than 400 ft of the service line from the home (structure). The remaining service line to the water main is the responsibility of the City.

(c) Future maintenance to the (full length) existing service line will be the sole responsibility of the property owner.

(d) All temporary water connections shall be according to the terms of an agreement between the city and the user of such water.

(e) All out of city limits connections shall be according to the terms of an agreement between the city and the user of such water.

PASSED BY THE GOVERNING BODY OF THE CITY OF LONGTON, KANSAS, ON
THE 12th DAY OF May, 2009.

Stephen H. Fielder
Mayor of Longton

ATTEST:
Lotus McDow
City Clerk
