3. **Water Department:**   Water is good, well has not been running too much. Will be sending out bills at the end of the month.

4. **Streets:** Staker Parsons are looking at the community center parking lot. We will wait until cooler weather to do chip sealing.

5. **Public:** Comment was made of Water concerns for next year.

6. **Fire District:** Kevin came and reported of district meeting. Said we sold the fire truck, district bought it from us for $20,000 and we will put that money on a new truck.

7. **Rodeo Committee:** Came to ask town if they would help with them putting in for a grant for new arena dirt and fencing around Rodeo Park. Pam said they would help out anyway.

8. **Rain Gutters:** Pam has 3 bids, we will look over them.
9. **Ensign Engineering:** They came and brought the water master plan report they have been working on for several months. Went over and highlighted some points. We have the water right and need to develop the well in order to proof up on the right. Said we are good on storage but the peak day demand was not enough and may have to add a line north of town to help out. There are 2 well site options south of town. They gave us there recommendations and suggestions for helping us get a grant.
