

## Introduction to Machine Applique

Join Donna to be introduced into the world of machine applique. You will learn how to use the blanket stitch on your machine to applique shapes. We will supply the KIT to get you started. You will leave with a cute bunny block that can be used to make a pillow or placemat/mug rug. 3 hours

Classes at The Dancing Bobbin have limited seats for participants. You may register in person at the shop or online. Unless specified, the cost for project supplies and/or kits is **not included** in the class fee. You will receive a supply list at the time of registration. Always bring your personal sewing machine, basic sewing supplies such as scissors, seam ripper, thread, extra machine needles, etc. and plan to arrive 15 minutes prior to class time so you have ample time to set up before class begins. **Remember that class fees are non-refundable and non-exchangeable.**
