

Curves "Spruced Up"

(Block size 21.5" x 21.5")

Using the *Spruced Up Quilt Block* pattern by Jenny Haynes of Papper, Sax, Sten, create a mod and festive holiday tree while learning how to sew curves. This class is for intermediate sewists; it is a beginner CURVES class (it is not a beginner sewist class). 3 Hours.

Classes at The Dancing Bobbin are limited in space for participants - first come, first served basis. You may register in person at the shop or online. You will receive a supply list at the time of registration. Always bring your personal sewing machine, basic sewing supplies such as scissors, seam ripper, thread, extra machine needles, etc. and plan to arrive 15 minutes prior to class time so you have ample time to set up before class begins. Remember that class fees are non-refundable and non-exchangeable.

Prior to Class:

1. Using paper scissors, CAREFULLY cut out Drunkards Path Paper Templates which follow page 10 of your Spruced Up pattern.
2. If you choose to use template plastic, transfer paper Drunkard's Path patterns to plastic. Carefully cut out plastic.
3. On page 2 of your pattern, next to each color key, make notes of which fabric you'll use for the pattern parts listed.
4. Cut pieces according pattern - curves and straight cuts. Contact Mary beforehand to come in early if you need assistance cutting the curves.
