

Preparation for T-Shirt Quilt

Graduation is getting close and the "want" of a t-shirt quilt can't be far behind. Join Donna as she shows you how to get started on this memory quilt. Yes, it's a memory quilt. All those t-shirts will remind the recipient of an event or trip or something special; they bring back memories! Great class for experienced beginners and seasoned sewists alike! 2 1/2 Hour class.

Classes at The Dancing Bobbin are limited to 6 participants on a first come, first served basis. You may register in person at the shop or online. Unless specified, the cost for project supplies and/or kits is **not included** in the class fee. Always bring your personal sewing machine, basic sewing supplies such as scissors, seam ripper, thread, extra machine needles, etc. and plan to arrive 15 minutes prior to class time so you have ample time to set up before class begins. Remember that class fees are non-refundable and non-exchangeable.
