## We Can't Wait For You To Join Us...

We are very excited to announce that we have Nancy McNally coming to join and inspire us at our 2018 Country Traditions Retreat.

Over the course of this fun filled three-day sew-fest, Nancy is going to guide us through two different projects that feature her "Traditional with a Twist" approach. Woven stars and a brand NEW project being debuted at the retreat: "Asian Star Maze."

Both of these quilts look intense to cut and piece, but have no fear, Nancy will show you how to create them with ease using your trusty rotary cutter or speed it up with your Accuquilt GO! Cutting System.

One Stitch at a Time.....

### Meet Nancy McNally

Nancy has been quilting for over 20 years. She was introduced into this wonderful world of fiber arts as a young mom. She is self taught in both piecing and longarm machine quilting. A few years ago, Nancy decided to try her hand at getting published and her first quilt, Friendship Rings, was on the cover of Fons and Porter's Scrappy Quilts, Fall 2011.

In the past few years, Nancy's quilt patterns have been published in a variety of magazines and books including Love of Quilting, Scrappy Quilts, Quilty, Quiltmaker, Quiltmaker's 100 Blocks, Quilts from 100 Blocks, and Quilter's World magazines. She has contributed to a variety of books through Annie's Publishing and F&P.

Nancy is a national educator in both piecing and longarm machine quilting. She travels to guilds, shops, and shows to teach her love for quilting!

## Class Projects

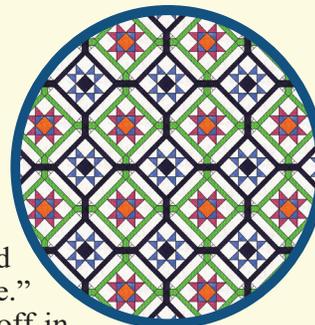

### Woven Stars:

Woven Stars is a very striking quilt. This quilt may look as though it is complicated, but do not worry. During the retreat, Nancy will guide you through many useful techniques that she developed to make this quilt so easy to create. Using her technique will eliminate over 30 seams.

### Asian Star Maze:

We are so excited to hear about Nancy's new "or would it be old?" quilt pattern called "Asian Star Maze."

This quilt started off in Nancy's wonderful mind. After getting set aside on the shelf like so many of us quilters do, this quilt desires to be seen. She has completed the project and can't wait to share it with us. She will be debuting this quilt during the retreat.

## Trunk Show & Special Events
