Assembly

1. Trace (3) Template 1's onto paper-backed fusible web and the wrong side of (3) A squares; cut out and apply fusible web circles to A circles according to manufacturer's instructions.
2. Trace Template 2 onto each B square and cut B circles from fabric. Remove paper backing from Step 1 A circles, center on B circles, right sides up, and fuse together. Make (3) A/B penny flowers.

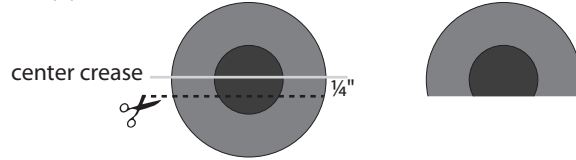

3. Trace (3) Template 2's onto paper side of fusible, cut out, and apply to wrong side of A/B flowers from Step 2. Do not remove paper. Make (3).

4. Finger press (2) penny flowers in half from Step 3, add a 1/4" seam allowance to finger-pressed crease, and trim off excess. Make (2) half-flowers.

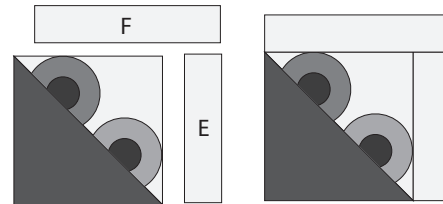

5. Remove paper from the back of the half-flowers from Step 4 and lay them onto (1) C triangle, aligning edges and leaving 3/4" exposed on each end of C as shown; **fuse only along seam allowance.**

6. Lay (1) D triangle on C triangle from Step 5; align long edges, pin, and then sew together. Press D away from C; do not touch iron to penny flowers.

7. Moving penny flowers out of the way, sew (1) E rectangle to the right edge of C (gently press toward C) and sew F rectangle to the top edge of C (press toward C).

8. Complete Unit #1 by fusing the half-flowers in place and then topstitch 1/8" from bias edges of the (2) small and (2) large half-circles with coordinating cotton thread. Next, remove paper from the third penny flower, lay it onto the unit as shown, fuse in place, and topstitch 1/8" from bias edges of the small and large full-circles with coordinating thread.

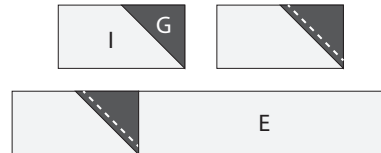

Unit #1

9. Layer (1) G triangle on H square, right sides up and aligning corners; glue in place. Topstitch 1/8" from bias edge of triangle with coordinating cotton thread. Sew G/H square to E rectangle as shown to make Unit #2.

Unit #2

10. In a similar manner, layer (1) G triangle on I rectangle, align corners, glue in place, and topstitch, as shown. Sew G/I rectangle to E rectangle to make Unit #3.

Unit #3

11. Lay out Unit #1, Unit #2, and Unit #3, as shown. Sew Unit #1 to Unit #2; press toward Unit #2. Sew Unit #1/2 to Unit #3 (press toward Unit #3) to create the Penny Basket block measuring 6 1/2" square.
