

# Simply Strips

By Elizabeth Roundy

## Fabric Requirements:

1/4 yard of 7 coordinating fabrics

1/2 yard binding

## Cutting Instructions:

Cut (1) 8" WOF strip from each of the (7) 1/4 yards.

Cut (6) 2-1/2" WOF strips for binding.

## Assembly Instructions:

Arrange your (7) WOF strips in the desired order.

Starting from the right side pin together strips and sew across the WOF using a 1/4" seam. Press seam toward the darker fabric.

*It is very important that you always start from the same side and pin before stitching. Fabrics will naturally want to stretch with such a long seam and pinning will keep that in check.*

Repeat with each strip until you have the top assembled.

Your top will most likely not be perfectly even from side to side at this point due to varied widths of fabric. Using a long ruler trim the selvages from the sides of the quilt top to square up the quilt top.

Quilt and bind as desired.

Finished Size 42.5" x 52.5"
