

Fast Flying Geese

Cutting Guide

Step 1:

With right sides together, place 2 small background (sky) squares on opposite corners of the large Geese square, they should overlap. Draw a diagonal line corner to corner and sew 1/4 inch on both sides of that diagonal line.

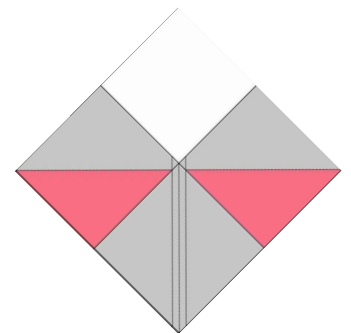

Step 2:

Cut on the drawn diagonal line. Open and press.

Step 3:

With right sides together place another small square on the bottom corner of each of your "heart" shapes and draw a diagonal line corner to corner. Again sew 1/4 inch on both sides of that line.

Step 4:

Cut on the drawn diagonal line. Open and press.

Finished Size	Unit Size	Cut 1 (goose)	Cut 4 (sky)
1/2" x 1"	1" x 1-1/2"	2-1/4" square	1-3/8" square
1" x 2"	1-1/2" x 2-1/2"	3-1/4" square	1-7/8" square
1-1/2" x 3"	2" x 3-1/2"	4-1/4" square	2-3/8" square
2" x 4"	2-1/2" x 4-1/2"	5-1/4" square	2-7/8" square
2-1/2" x 5"	3" x 5-1/2"	6-1/4" square	3-3/8" square
3" x 6"	3-1/2" x 6-1/2"	7-1/4" square	3-7/8" square
3-1/2" x 7"	4" x 7-1/2"	8-1/4" square	4-3/8" square
4" x 8"	4-1/2" x 8-1/2"	9-1/4" square	4-7/8" square
4-1/2" x 9"	5" x 9-1/2"	10-1/4" square	5-3/8" square
5" x 10"	5-1/2" x 10-1/2"	11-1/4" square	5-7/8" square
5-1/2" x 11"	6" x 11-1/2"	12-1/4" square	6-3/8" square
6" x 12"	6-1/2" x 12-1/2"	13-1/4" square	6-7/8" square

*To calculate the size of the pieces that you will need to make any flying geese take the measurement of the finished Flying Geese unit. Add 1-1/4" to the width of your unit and cut 1 square that size for your geese. Add 7/8" to the height of your finished unit and cut 4 squares that size for your sky.
