

Garden Wall

A Fat Quarter Quilt

by Jennifer Hansen

Finished size 80x88 inches

Fabric Requirements:

20 Fat Quarters assorted prints

3/4 yard for binding

Cutting Instructions:

From each fat quarter you will cut:

(2) $8\frac{1}{2}'' \times 10\frac{1}{2}''$

(2) $5\frac{1}{2}'' \times 10\frac{1}{2}''$

(2) $3\frac{1}{2}'' \times 10\frac{1}{2}''$

Cut each fat quarter according to the diagram on the right.

Assembly Instructions:

Arrange your fabric in rows, creating 5 rows with $8\frac{1}{2}'' \times 10\frac{1}{2}''$ blocks, 5 rows of $5\frac{1}{2}'' \times 10\frac{1}{2}''$ blocks, and 5 rows of $3\frac{1}{2}'' \times 10\frac{1}{2}''$ blocks.

Arrange the rows like the diagram on the right.

You will notice that the even numbered rows are offset. To create the half-blocks simply cut one of the pieces from that row in half and place it at the beginning and end of that row. This will shorten that row by $\frac{1}{2}''$. To account for that trim $\frac{1}{2}''$ off of the far right block of each odd numbered row.

Once the rows are pieced you will need to sew them together. Remember to pin the rows together, because they are so long floating will cause a lot a lot of distortion so take the time to pin.

From the binding fabric cut (9) $2\frac{1}{2}'' \times$ WOF strips and join together on the diagonal and press to form binding.

Quilt and bind the quilt as desired.

Finished size is $80'' \times 88''$
