

Mitten Ornament

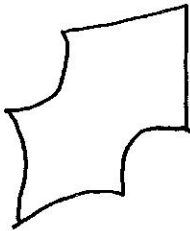

by Jenn Hansen

cuff. cut 2

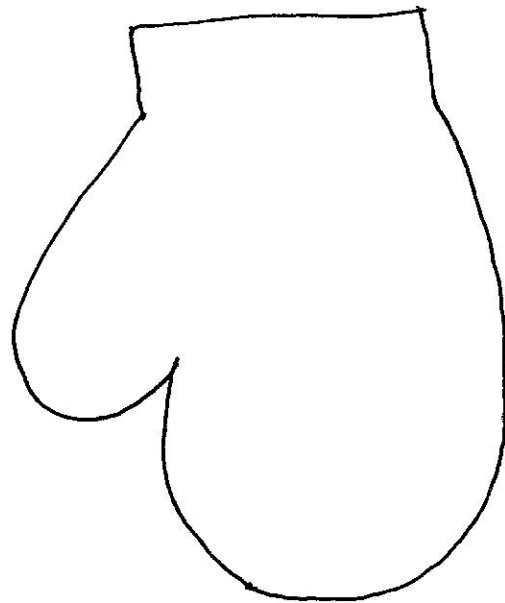

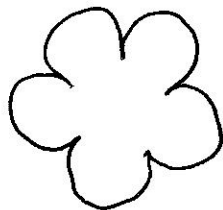

(optional)

holly
leaf.
cut 2

(optional)
flower.
cut 1

Mitten. cut 2

Using a blanket stitch sew the mitten front and back together leaving the top open.

Sew the cuffs to the front and back of the top of the mitten, also using a blanket stitch. Make sure to leave the mitten top open!

I use a button to attach the holly leaves or flower to the top corner of the mitten.

check out our video showing how to make this mitten on YouTube.
