Meandering

from 2.0 cents per square inch.

Meandering provides a simple wandering pattern to the entire quilt top. This type of quilting makes for a strong quilt and is ideal for quilts that are to be used frequently.

Edge to Edge Quilting

from 2.3 cents per square inch.

Edge to Edge (E2E) designs are quilting patterns designed to go from one edge to the other of your quilt. **E2E** designs provide opportunity for complementary and/or ornate quilting designs that will accentuate your piece work. We have hundreds of quilting designs to choose from.

Semi Custom

Add one **Border** design to your **E2E** center design. This is a great way to give your quilt a custom look without the cost of custom quilting.
