

# 3 yard Diamonds

quilt pattern by Danielle Gallagher

## Cutting

*Note, you can stack and cut all 3 yards of fabric stacked together if you want.*

From each one yard piece, cut:

- 1 strip @  $6\frac{1}{2}"$ , subcut to 6 squares @  $6\frac{1}{2}"$  x  $6\frac{1}{2}"$
- 2 strips @  $6\frac{7}{8}"$ , subcut to 12 squares @  $6\frac{7}{8}"$  x  $6\frac{7}{8}"$ ,
- >cut these in half on the diagonal, 24 triangles.
- 1 strip @  $7\frac{1}{4}"$ , subcut to 5 squares @  $7\frac{1}{4}"$  x  $7\frac{1}{4}"$
- 1 strips @  $7\frac{1}{2}"$ , cut off one piece @  $7\frac{1}{4}"$ , trim to  $7\frac{1}{4}"$  x  $7\frac{1}{4}"$ ; set remainder aside for binding.
- >Cut all  $7\frac{1}{4}"$  x  $7\frac{1}{4}"$  squares diagonally twice, 4 triangles from each square.

## Sorting + Piecing

Sort your cuts so you have all the matching pieces together. Lay them out in sets:

- A square + B small triangles + C large triangles
- B square + C small triangles + A large triangles
- C square + A small triangles + B large triangles

Sew 2 small triangles to opposite sides of each square; press. Sew remaining 2 small triangles to other sides. Press, trim points. For extra precision, trim blocks so there is  $\frac{1}{4}"$  between point of center square and edges.

*Every effort is made to publish our patterns error-free, but we are human. If you find a mistake, do let us know & we'll fix it.*

## Materials

1 yard each, 3 coordinating fabrics  
(includes binding)

3 yards backing  
batting 52" x 52"

Quilt size approx. 48" x 48"  
Blocks 12" x 12" finished

Sew 2 large triangles to opposides sides of square/4 triangle piece, press. Sew remaining 2 large triangles to other 2 sides; press and trim points/blocks.

Arrange the blocks in 4 rows of 4. Sew together.

Sandwich, quilt and bind as desired, using the reserved pieces from cutting to cut  $2\frac{1}{2}"$  strips for binding.
