

NECCHI

35 Built-in Stitches | Powerful DC Motor | Top-loading Bobbin | Adjustable Stitch Width & Length

C35 Creator Series

MECHANICAL SEWING MACHINE

**Built to Power Through.
Designed to Create.**

Say goodbye to frustrating, fussy sewing projects. The NECCHI Creator C35 is engineered for durability and strength, featuring a powerful DC motor with higher torque at low speeds to confidently sew through denim, canvas, leather, and layered fabrics. With over 7 inches of workspace and 35 built-in stitches, this heavy-duty mechanical machine delivers smooth performance, reliability, and creative flexibility — making it a true creator's best friend.

KEY HIGHLIGHTS

- Powerful DC Motor with high torque at low speeds
- 35 Built-In Stitches including stretch stitches
- Quick Top-Loading Bobbin System
- Automatic Needle Threader
- Adjustable Stitch Length & Width
- Adjustable Presser Foot Pressure

Powerful DC Motor

Higher torque at low speeds allows smooth stitching through thick and multi-layer fabrics.
